PRINCE BEAR & PAUPER BEAR

(Interactive Storytelling Performance for Pre-schoolers
Directed by Candice de Rozario)

On 27th April 2017, The Learning Connections (TLC) ended its Story Box performance season of *Prince Bear & Pauper Bear*, an award-winning story by celebrated local children's book author, Emily Lim. Close to 2000 children from 38 preschools island wide watched this heartwarming, engaging and interactive educational performance that taught our little friends the concepts of second chances, empathy, love and friendship. TLC is grateful to the Singapore Press Holdings Foundation for making it possible for 150 children from less privileged backgrounds to watch this performance. *Prince Bear & Pauper Bear* will be touring to preschools in May.
