

DRAMA WORKSHOP FOR PAP COMMUNITY FOUNDATION (PCF) EDUCATORS

The Learning Connections (TLC) had the privilege of being invited to conduct a Drama workshop, 'Count Me In: Scaffolding Children's Learning through Story and Drama' for close to 80 early childhood educators from PCF on 22 November 2017. The participants were thoroughly engaged during the upbeat 75-minute session. Using children's literature as a source of inspiration, the participants learned how to take an active role in engaging young children experientially to help young children develop perspective taking and gain greater comprehension of the story through the use of drama strategies.
